**DECLARATION OF THOMAS R. GLENN, REGARDING
MAILING AND PUBLICATION OF NOTICE TO CLASS MEMBERS**

The undersigned, Thomas R. Glenn, hereby states that:

1. I am the Senior Vice President and Chief Operating Officer of Complete Claim Solutions, LLC (“CCS”). CCS was hired by the Court-appointed Notice Agent, Kinsella/Novak Communications, Ltd. (“Kinsella/Novak”) to assist in the process of providing notice of the settlement to the potential Class Members in this Action. I am over 21 years of age and am not a party to this action. I have personal knowledge of the facts set forth herein, and if called as a witness, could and would testify competently hereto.

2. I submit this Declaration in order to provide the Court and the parties to the above captioned litigation with information regarding the mailing and publication of Notice to Consumer Class Members and Third-Party Payor (“TPP”) Class Members.
3. CCS maintains a mailing database of approximately 45,052 potential TPP Class members and record keepers (the “CCS TPP Mailing Database”) which consists of membership listings and existing databases from the following sources:
 - a) Pharmacy Benefit Management Institute;
 - b) Health Insurance Association of America;
 - c) Benefits Sourcebook;
 - d) Managed Care Information Centers;
 - e) Judy Diamond Associates;
 - f) A.M. Best Company;
 - g) Association of Managed Care Providers;
 - h) Society of Professional Benefit Administrators;
 - i) American Association of Health Plans;
 - j) Self Insurers Institute of America; and
 - k) National Association of Insurance Commissioners.
4. As the court-appointed Notice Administrator in numerous similar settlements, CCS developed the CCS TPP Mailing Database in March 2001 as a proprietary mailing database. It is maintained and regularly updated by CCS to be used in notifying TPP Class members in settlements of large pharmaceutical antitrust litigations, including: *In re Warfarin Sodium Antitrust Litigation* (MDL No. 98-1232); *In re Lorazepam and Clorazepate Antitrust Litigation* (MDL No. 1290); *In re Terazosin Hydrochloride Antitrust Litigation* (MDL No. 1317); *Vista Healthplan, Inc., and Ramona Sakiestewa v. Bristol-Myers Squibb Co., and American BioScience, Inc.* (Civil Action No.

1:01CV01295 (EGS) (AK)); *In re: Lupron® Marketing and Sales Practices Litigation* (MDL No. 1430); *Rosemarie Ryan House, et al. v. GlaxoSmithKline PLC and SmithKline Beecham Corporation* (Docket No. 2:02cv442); and *In re Cardizem CD Antitrust Litigation* (MDL No. 1278). CCS continues to update the CCS TPP Mailing Database with changes of address and additional TPP Class members and record keepers as they are identified in subsequent settlements.

5. CCS caused Settlement Notices for both TPPs (“TPP Notices”) and consumers (“Consumer Notices”) to be printed. On September 10, 2007, pursuant to ¶4(b) of the Court’s Amended Order Granting Preliminary Approval of the Med-Span Settlement, Certifying Class for Purposes of Settlement Only, Directing Notice to the Class and Scheduling a Fairness Hearing, dated August 21, 2007 (the “Preliminary Approval Order”), the TPP Notice was mailed by standard First-Class U.S. mail to a total of 45,052 potential TPP Class members using the CCS TPP Mailing Database. A copy of the TPP Notice and the Consumer Notice are attached hereto as Exhibits 1 and 2, respectively.
6. As of January 16, 2008, 3 additional TPP Notices were mailed by standard First-Class U.S. mail to TPP entities at their request.
7. As of January 16, 2008, the United States Postal Service (“USPS”) returned 2,566 TPP Notices as undeliverable without forwarding addresses. CCS utilized the services of Accurint, an address database service to which CCS subscribes, to seek updated addresses. As a result, CCS received 361 updated addresses to which CCS subsequently re-mailed TPP Notices. Of these 361 re-mailed TPP Notices, the USPS returned 133 as undeliverable without a forwarding address a second time. Therefore, the USPS has returned a total of 2,699 TPP Notices as undeliverable without a forwarding address.

8. As of January 16, 2008, the USPS returned 107 TPP Notices as undeliverable with forwarding addresses to which CCS subsequently re-mailed TPP Notices.
9. As the Court is aware, Plaintiffs' Counsel retained the services of Kinsella/Novak, a full-service marketing and advertising consulting firm which provides marketing research and analysis services, creative development, advertising and marketing planning, to provide notice to potential Class Members.
10. Kinsella/Novak developed a media plan which targeted Consumer and TPP Class Members by publishing the Summary Notice over a period of approximately 2 months in selected publications throughout the country. The Affidavit of Kathrine Kinsella certifying that the publications of the Summary Notice were effectuated in accordance with the Preliminary Approval Order is being filed contemporaneously herewith.
11. As part of Kinsella/Novak's media plan, on September 20, 2007, CCS mailed a cover letter and a copy of the Consumer Notice ("Organization Packets") to 68 consumer organizations, a list of which is attached here to as Exhibit 3.
12. As of January 16, 2008, the USPS has returned 3 Organization Packets as undeliverable without a forwarding address. CCS utilized the services of Accurint as described above in ¶7, and received 1 updated address to which an Organization Packet was re-mailed and which was subsequently returned as undeliverable by the USPS a second time. Therefore, the USPS has returned a total of 4 Organization Packets as undeliverable without a forwarding address.
13. As of January 16, 2008, 1,045 Consumer Notices have been mailed by standard First-Class U.S. mail to consumers at their request.

14. As of January 16, 2008, the USPS returned 5 Consumer Notices as undeliverable without forwarding addresses. CCS utilized the services of Accurint as described above in ¶7, and received 2 updated addresses to which CCS subsequently re-mailed Consumer Notices.
15. As of January 16, 2008 the USPS returned 1 Consumer Notice as undeliverable with a forwarding address which was subsequently re-mailed to the address provided by the USPS.
16. CCS has acted as a repository for inquiries and communications from potential Class Members. Pursuant to ¶4 of the Preliminary Approval Order, CCS established a Post Office Box, a toll-free telephone number (1-800-960-2381), a website (www.FDBMediSpanSettlement.com), and an email address (FDBMediSpaninfo@CompleteClaimSolutions.com) for potential Class Members seeking information about the Notice, advising of a change of address, and/or requesting additional Notices to be mailed.
17. A caller to the toll-free telephone number is able to listen to a pre-recorded message, attached as Exhibit 4, which answers many frequently asked questions and is then prompted to press a telephone keypad number to contact a live “telephone representative” to answer additional questions. As of January 16, 2008, 1,598 callers had listened to the pre-recorded message and approximately 656 of those requested to speak with a telephone representative.
18. The website includes links to documents such as the Consumer Notice, the TPP Notice, the FDB List of Drugs, the Medi-Span List of Drugs, Court Documents, TPP Frequently Asked Questions, Consumer Frequently Asked Questions, and Contact Information. The website went “live” on September 9, 2007 and as of January 16, 2008 has been viewed approximately 82,477 times. Please note that one individual may have visited the site multiple times. The website is periodically updated as the status of the settlement changes (e.g., a deadline passes).

19. As stated in ¶16 CCS established and maintains an email address. As of January 16, 2008, CCS has received approximately 134 emails and has responded accordingly to each one.
20. Pursuant to the Preliminary Approval Order and the TPP Notice, a TPP Request for Exclusion needed to be mailed to CCS and postmarked by December 21, 2007. CCS has received timely Requests for Exclusion from 80 TPPs (2 additional Requests for Exclusion were duplicates). No TPP Requests for Exclusion were received after the deadline. Of these 80 TPP Requests for Exclusion, 5 are from Third Party Administrators (“TPAs”) that represent self-administered health plans and have the authority to request exclusion on behalf of the plans. The 5 TPAs have requested exclusion for an additional 576 plans. In total there are 656 timely TPP/plan Requests for Exclusion (“TPP Opt-Outs”). A complete list of the TPPs and plans that requested exclusion is attached as Exhibit 5.
21. Pursuant to the Preliminary Approval Order and the Consumer Notice, a Consumer Request for Exclusion also needed to be mailed to CCS and postmarked by December, 21, 2007. To date, CCS has received timely Requests for Exclusion from 19 Consumer Class Members (2 additional Requests for Exclusion were duplicates and another 2 were subsequently rescinded) (“Consumer Opt-Outs”). A list of the Consumer Opt-Outs is attached as Exhibit 6.
22. Therefore, CCS has taken all actions required by this Court’s Preliminary Approval Order.
23. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

EXHIBIT 1

UNITED STATES DISTRICT COURT – DISTRICT OF MASSACHUSETTS

**If You Are a Third-Party Payor that Made
Reimbursements for the Cost of Prescription Drugs Based
in any Part on Price Information Reported by
First DataBank or Medi-Span,
Proposed Class Action Settlements May Affect Your Rights**

The District Court has authorized this Notice.

- There are proposed Settlements in two class action lawsuits. The names of the lawsuits are *New England Carpenters Health Benefits Fund, et al. v. First DataBank, Inc., et al.*, No. 1:05-CV-11148-PBS, and *D.C. 37 Health & Security Plan v. Medi-Span*, No. 07-cv-10988-PBS. These cases are pending in the U.S. District Court for the District of Massachusetts.
- First DataBank, Inc. (“FDB”) publishes data related to the price of prescription drugs. One of the data fields FDB publishes is called the Blue Book Average Wholesale Price (“BBAWP”). The published BBAWP of a drug is often used to determine: (a) what insurance companies and Third-Party Payors (“TPPs”) will reimburse for these drugs, (b) the amount of co-payments for consumers who pay a percentage co-pay, and (c) the price paid by consumers who pay the full price of drugs at pharmacies. FDB is not, nor has it ever been, a manufacturer, supplier, wholesaler, distributor, or seller of prescription drugs.
- The FDB lawsuit claims that in or about 2001, FDB and a large prescription drug wholesaler, McKesson, wrongfully inflated the mark-up factor used to determine the BBAWP that applies to numerous prescription drugs. Plaintiffs allege that as a result, Third-Party Payors (“TPPs”) and some consumers paid more for these prescription drugs than they otherwise would have from 2001 forward.
- The Medi-Span lawsuit claims that Medi-Span negligently published the Average Wholesale Price (“AWP”) of prescription drugs based on information received from FDB.
- There is no money for TPPs or consumers now. The Settlements provide “injunctive relief.” This means that instead of paying money damages, the companies agree to change what they are doing to benefit the Settlement Classes. Substantial benefits will be provided to consumers because FDB and Medi-Span will, among other things, reduce the mark-up factor for thousands of prescription drugs, and stop publishing the AWP within 2-3 years. Class Counsel estimate that this reduction may save well over a billion dollars in future prescription drug costs for consumers, insurers, and TPPs in a single 12-month period.
- McKesson has not settled these claims and remains a Defendant in the FDB litigation.

GETTING MORE INFORMATION

-----	---	---

BASIC INFORMATION

1. Why did I get this Notice?

You received this Notice because you are a TPP that may have made reimbursements for certain prescription drugs:

- Between January 1, 2000 and the date of the Court's Final Approval of the FDB Settlement where the reimbursement was based on allegedly inflated price data published by FDB and/or
- Between December 19, 2001 and the date of the Court's Final Approval of the Medi-Span Settlement where the reimbursement was based on allegedly inflated price data published by Medi-Span.

You may also have requested this Notice after seeing the Summary Notice in a publication. If so, the lawsuits may affect you.

This Notice explains:

- What the lawsuits and Settlements are about.
- What the lawsuits claim and what FDB and Medi-Span say about the claims.
- Who is affected by the Settlements.
- Who represents the Classes in the lawsuits.
- What your legal rights and choices are.
- How and by when you need to act.

2. What are these lawsuits about?

FDB and Medi-Span are Defendants that publish certain data related to the prices of prescription drugs in their printed and electronic databases. FDB reports data including the BBAWP of each prescription drug. Prescription drug manufacturers

often report the Wholesale Acquisition Cost ("WAC") to FDB and Medi-Span. FDB then applies a mark-up factor to the WAC to derive the BBAWP reported in its publications and databases.

From December 2001 into April 2004, Medi-Span published its AWP for prescription drugs based on data provided by FDB. Subsequently, Medi-Span independently applied a mark-up factor to the WAC to derive its AWP for certain drugs reported in its publications and databases. FDB and Medi-Span are not, nor have they ever been, a manufacturer, supplier, wholesaler, distributor or seller of prescription drugs. FDB and Medi-Span are publishers of information.

The published BBAWP or AWP of a prescription drug is often used as a benchmark by pharmacies, insurance companies and other TPPs to set the price of prescription drugs for consumers who pay the full price of prescription drugs at pharmacies and to determine what insurance companies and TPPs will reimburse for these prescription drugs. Also, the co-payments made by certain consumers, those who pay a percentage of the cost of their prescription drugs rather than a flat co-payment amount, may also be determined based on the same BBAWP or AWP data.

Plaintiffs claim:

- That in 2001, FDB and a large prescription drug wholesaler, McKesson, wrongfully inflated the mark-up factor used to determine the BBAWP that applies to numerous prescription drugs. This allegedly caused members of the Class (TPPs and some consumers) whose payments for prescription drugs are tied to the published BBAWP to make substantial excess payments for those prescription drugs.
- That despite representations that it conducted surveys of wholesalers of prescription drugs to determine their BBAWP, FDB either failed to conduct those surveys or failed to conduct adequate surveys.

The FDB lawsuit alleges such legal theories as negligent representation, conspiracy, fraud and violations of consumer protection statutes. The Medi-Span lawsuit alleges that Medi-Span also negligently published inflated prescription drug prices. The Medi-Span lawsuit alleges such legal theories as negligent misrepresentation.

FDB and Medi-Span have denied any wrongdoing or liability. The Settlements are not an admission of wrongdoing or an indication that any law was violated. FDB and Medi-Span have entered into these Settlements solely to avoid further expense, inconvenience, and the burden of this litigation and any other present or future litigation arising out of the facts that allegedly gave rise to this litigation. FDB and Medi-Span wish to avoid the distractions and diversion of their personnel and resources. They also wish to put to rest this controversy and to avoid the risks inherent in uncertain complex litigation. The Court has not ruled on the merits of Plaintiffs' claims or on the defenses made by FDB and Medi-Span.

3. Why are these lawsuits class actions?

In a class action lawsuit, one or more people called "class representatives" sue on behalf of people who have similar claims. The people together are a "class" or "class members." The court must determine if it will allow the lawsuit to proceed as a class action. If it does, a trial of the claims then decides the lawsuit for everyone in the class or the parties may settle without a trial. Here, the Plaintiffs and FDB and Medi-Span have agreed to Settlements.

The Court has preliminarily approved the Settlements for Classes of individuals and entities that purchased prescription drugs based on the BBAWP data field published by FDB and the AWP published by Medi-Span. There will be Final Hearings for the Court to decide on whether to give final approval to the Settlements (see Question 18).

4. Why are there Settlements?

A settlement is an agreement between a plaintiff and a defendant following extended negotiation. Settlements conclude litigation but this does not mean that the court has ruled in favor of the plaintiff or the defendant. A settlement allows both parties to avoid the cost and risk of a trial and permits both parties to establish a just, fair and final resolution that is best for all involved. The class representatives and their attorneys decide that a settlement is the best result for all class members and the court is asked to approve the settlement as fair, reasonable and adequate. If this Court approves the Settlements, then FDB and Medi-Span will no longer be legally responsible for the claims made in these lawsuits.

Settlement Class Counsel and FDB and Medi-Span have engaged in extensive, arms-length negotiations regarding the issues presented in these litigations and the possible terms of a settlement. FDB and Medi-Span want to settle the Plaintiffs' claims in these litigations and Settlement Class Counsel believes the Settlements are fair, reasonable and adequate and in the best interests of the Classes.

5. Who is a Class Member?

The Classes consist of all entities that made purchases and/or paid, whether directly, indirectly, or by reimbursement, for all or part of the purchase price of prescription drugs, including, but not limited to, those identified on Exhibit A to the two Settlement Agreements. (To obtain a copy of the Settlement Agreements, see Question 21.)

- The purchases or reimbursement based on FDB pricing must have been made between January 1, 2000 and the date of Final Court Approval of the FDB Settlement.
- The purchases or reimbursement based on Medi-Span published prices must have been made between December 19, 2001 and the date of Final Court Approval of the Medi-Span Settlement.
- Any part of the purchase price, reimbursement or payment amount must have been based on the BBAWP, the AWP or similar data published or disseminated by FDB or Medi-Span, electronically or otherwise.

Class Members that made flat co-payments are not included in the Classes. Also not included in the Classes are the Defendants and their present or former, direct and indirect, parents, subsidiaries, divisions, partners and affiliates; the United

States government, its officers, agents, agencies and departments; the States of the United States and their respective officers, agents, agencies and departments and all other local governments and their officers, agents, agencies and departments.

Also, those entities that own or operate businesses referred to commonly as pharmacy benefit managers (“PBMs”) and who, as part of their business operation, contract with ultimate TPPs of a prescription drug benefit to perform certain services in the administration and management of that prescription drug benefit for those ultimate TPPs are not Class Members under the Private Payor Class definition of these Settlements. The Classes include the ultimate TPPs providing the prescription drug benefit and not the PBMs, which those TPPs contract with, to administer or manage that prescription benefit on behalf of the Class Members, unless such PBMs are the fiduciary of the TPPs or by contract assumed, in whole or in part, the insurance risk of that prescription drug benefit during the Class Periods.

6. How do I know if I am included in the Settlements?

Unless you exclude yourself as described in Question 12 of this Notice, you are a member of the Classes and will be included in the Settlements if you are:

- A TPP that reimbursed for prescription drugs based on the BBAWP published by FDB or the AWP published by Medi-Span.

A TPP is an entity that is:

- (a) A party to a contract, issuer of a policy, or sponsor of a plan, *and*
- (b) At risk, under such contract, policy, or plan, to pay or reimburse all or part of the cost of prescription drugs dispensed to covered natural persons.

TPPs include insurance companies, union health and welfare benefit plans and self-insured employers. Entities with self-funded plans that contract with a health insurance company or other entity to serve as a third-party claims administrator to administer their prescription drug benefits qualify as TPPs. Private plans that cover government employees and/or retirees are also included. (For a more comprehensive definition of TPPs, refer to the Settlement Agreements. Question 21 provides instruction on how to obtain a copy of the Settlement Agreements.)

BENEFITS OF THE SETTLEMENTS – WHAT YOU GET

7. What do the Settlements provide?

The Settlements do not provide cash payments by FDB or Medi-Span to Class Members. Rather, Class Members get what is called “injunctive relief.” This means that instead of getting money damages, the companies will agree to change what they are doing to benefit the Classes.

In this case, a substantial benefit is provided to the Classes because FDB and Medi-Span will both lower the mark-up factor used to determine the BBAWP and AWP for a large number of prescription drugs for which they publish price information. This will result in a reduction in the prices for these prescription drugs. **Class Counsel estimates that this reduction may save over a billion dollars for consumers, insurance providers and TPPs in just a single 12-month period.**

Within two (2) years, FDB will also cease to publish the BBAWP data field, subject to certain exceptions. In addition, FDB will cooperate as outlined below in providing information on prescription drug pricing in connection with other litigation. Within three (3) years, Medi-Span will also cease to publish the AWP and will also provide information on prescription drug pricing in connection with other litigation.

Specifically:

- (a) FDB and Medi-Span will reduce the WAC to AWP mark up they utilize for all prescription drugs, listed on Exhibit A to their respective Settlement Agreements, to 1.20. Currently, most prescription drugs on Exhibit A have a WAC to AWP mark up of greater than 1.20. As for other prescription drugs in either the FDB or Medi-Span databases that are on a mark-up factor basis and have a WAC to AWP mark up of less than 1.20, FDB and Medi-Span each agree that they shall not increase the WAC to AWP mark up for those prescription drugs by reason of the adjustment on other drugs described above.
- (b) Neither FDB nor Medi-Span shall at any time thereafter increase the WAC to AWP mark up of any prescription drugs above 1.20 unless a different methodology for determining WAC, AWP or mark ups is adopted that is verifiable. In addition, if verifiable prescription drug wholesale price information becomes available as a result of changes in law, regulation or industry practice, FDB and Medi-Span may publish such information. (This is subject to certain limitations as outlined in the Settlement Agreements.)
- (c) FDB shall discontinue publishing, electronically or otherwise, the BBAWP data field for any prescription drug within two (2) years from the Effective Date of the Settlements. Medi-Span shall discontinue publishing, electronically or otherwise, the AWP data field for any prescription drug within three (3) years from the Effective Date of the Settlements. (This is subject to certain limitations as outlined in the Settlement Agreements.)
- (d) Establish and maintain for a period of three (3) years from the Effective Date of the Settlement at FDB’s expense, a Data Room. Access will be provided in connection with any claim or potential claim brought or contemplated against other defendants in litigation involving prescription drug pricing and reimbursement.

In addition, in connection with litigation *In re Pharmaceutical Industry Average Wholesale Price Litig.*, MDL 1456 (“AWP MDL”), FDB and Medi-Span will cooperate with and facilitate the interview of certain employees involved in the

prescription drug price reporting and price data acquisition activities. FDB and Medi-Span will also make reasonable efforts to make certain employees and/or officers with relevant knowledge available for trial testimony in connection with (1) any trial of claims against the remaining defendant or defendants in this Class Action and (2) any trial in the AWP MDL.

REMAINING IN THE CLASSES

8. What happens if I do nothing and stay in the Classes?

If you do nothing, you will be included in the Classes. You will be bound by the terms and conditions of the Settlements. You will never be able to pursue any other lawsuit against FDB or Medi-Span concerning or related in any way to the claims alleged in these lawsuits.

If the Settlements are approved, the claims against FDB and Medi-Span will be completely “released.” This means that you cannot sue FDB or Medi-Span for money damages or other relief based on the claims in these lawsuits.

Class Members agree to forever release all claims even if they later discover new facts about the claims in these lawsuits. This includes any claims whether known or unknown, suspected or unsuspected, contingent or non-contingent. All claims will be released forever whether or not the facts were concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

9. If I remain in the Classes, what claims am I specifically giving up?

The legal definition of the “Released Claims” is as follows:

“Released Claims” shall mean any and all known or unknown claims, demands, actions, suits, causes of action, damages whenever incurred whether compensatory, punitive, or exemplary, liabilities of any nature or under any theory whatsoever. This includes costs, expenses, penalties and attorneys’ fees, in law, equity, or statutory that any Class Member who did not opt-out ever had or now has, directly, representatively, derivatively or in any capacity, arising out of any conduct, events or transactions relating to the collection, calculation, formulas, mark up, determination, dissemination, publication of, and representations concerning, the AWP or BBAWP or similar data published or disseminated by FDB or Medi-Span electronically or otherwise for any prescription drugs. This includes, but is not limited to, the allegations contained in the action entitled *New England Carpenters Health Benefits Fund, et al. v. First DataBank, Inc., et al.*, Civil Action No. 1:05-CV-11148-PBS (D.Mass.) and *D.C. 37 Health & Security Plan v. Medi-Span*, No. 07-cv-10988-PBS.

10. What entities am I releasing?

The Released Entities are:

- First DataBank, Inc., its parent, subsidiaries, and affiliates and their past, present and future officers, directors, trustees, employees, agents, attorneys, shareholders, predecessors, successors and assigns; and
- Medi-Span, a division of Wolters Kluwer Health, Inc., its parent, subsidiaries, and affiliates and their (including Medi-Span’s) past, present and future officers, directors, trustees, employees, agents, attorneys, shareholders, predecessors, successors and assigns.

EXCLUDING YOURSELF FROM EITHER OF THE SETTLEMENT CLASSES

11. What do I do if I don’t want to be in the Settlements?

If you are a TPP and you don’t want to be in either Class and you want to keep the right to sue FDB or Medi-Span about the same claims on your own, you must take steps to get out of the Classes. This is called excluding yourself. By excluding yourself, you keep the right to file your own lawsuit or join another lawsuit against FDB and Medi-Span about the claims in these lawsuits. If you exclude yourself from the Classes, you will not be in the Settlements. However, if too many Class Members exclude themselves from the Settlements, FDB and Medi-Span can cancel the Settlement Agreements. This means that no one will see cost savings in the future due to these Settlements.

12. How do I exclude myself from the Classes?

You can exclude yourself from the FDB Class, the Medi-Span Class or both Classes.

If you wish to be excluded from the Class or Classes, you can send a letter signed by you that includes all of the following:

- The name, address, and telephone number of the TPP;
- The name and number of the lawsuit or lawsuits: *New England Carpenters Health Benefits Fund, et al. v. First DataBank, Inc., et al.*, No. 1:05-CV-11148-PBS and/or *D.C. 37 Health & Security Plan v. Medi-Span*, No. 07-cv-10988-PBS;
- The tax identification number for the TPP;
- A statement that the individual signing the letter is authorized to act on behalf of the TPP;
- If you have hired your own lawyer, the name, address, and telephone number of your lawyer; *and*
- A statement that you want to be excluded from a Class or Classes.

If a TPP seeks to act on behalf of other TPPs for which it administers prescription drug benefits, the exclusion letter must also include the tax identification numbers for each entity seeking to be excluded. It must also include a statement that the

individual signing the letter has the authority to act on behalf of such entity either expressly or by contract.

All exclusion letters must be mailed first class, **postmarked no later than December 21, 2007**, to:

FDB/Medi-Span AWP Settlement Administrator
c/o Complete Claim Solutions, LLC
P.O. Box 24730
West Palm Beach, FL 33416

Please remember that you can't exclude yourself by phone or by sending an email.

COMMENTING ON THE SETTLEMENTS

13. Can I object to or comment on the Settlements?

If you have comments about, or disagree with, any aspect of the Settlements, including the requested attorneys' fees or the expense reimbursement plan, you may express your views to the Court through a written response to the Settlements. You can comment about either or both of the Settlements. The written response should include your name, address, telephone number and a brief explanation of your reasons for objection. The document **must** be signed to ensure the Court's review. The response must be postmarked no later than **December 21, 2007** and mailed to:

In addition, your document must clearly state that it relates to the following Civil Action Number:

(For the FDB lawsuit) No. 1:05-CV-11148-PBS and/or (For the Medi-Span lawsuit) No. 07-cv-10988-PBS.

14. What is the difference between objecting to the Settlements and excluding myself from the Settlements?

An objection to the Settlements is made when you wish to remain a member of the Classes and be subject to the Settlements but disagree with some aspect of the Settlements. An objection allows your views to be heard in Court. In contrast, exclusion means that you are no longer a Class Member and ultimately do not want to be subject to the Settlements' terms and conditions. Once excluded, you lose any right to object to the Settlements or to the attorneys' fees because the case no longer affects you.

THE LAWYERS REPRESENTING YOU

15. Do I have a lawyer representing my interests in these cases?

Yes. The Court has appointed the following law firms to represent you and other Class Members:

These lawyers are called Class Counsel. You won't be charged personally for these lawyers, but they will ask the Court to award them a fee. More information about Class Counsel and their experience is available at the websites listed above.

16. How will the lawyers be compensated?

Class Counsel will request that the Court award attorneys' fees and expenses. The Court has appointed Class Counsel to represent everyone in the Classes. Subject to Court approval, FDB will pay Class Counsel fees not to exceed \$625,000, expenses of \$200,000, and \$125,000 for the maintenance of the Data Room for a period of three (3) years. Class Counsel will receive \$100,000 in fees and expenses in connection with the Settlement with Medi-Span. FDB will also pay the cost of notice to all Class Members. You may hire your own attorney, if you wish. However, you will be responsible for that attorney's fees and expenses.

17. Should I get my own lawyer?

You don't need to hire your own lawyer, but if you want your own lawyer to speak for you or appear in Court, you must file a Notice of Appearance (See Question 20 to find out how to submit a Notice of Appearance). If you hire a lawyer to appear for you in the lawsuit, you will have to make your own arrangement for that lawyer's compensation.

THE COURT'S FINAL APPROVAL HEARINGS

18. When and where will the Court decide on whether to grant final approval of the Settlements?

The Court will hold Final Approval Hearings on January 22, 2008 at 2:00 p.m. to consider whether the Settlements are fair, reasonable, and adequate. At the Hearings, the Court will decide whether to approve the Settlements and the motion for attorneys' fees and expenses. If comments or objections have been received, the Court will consider them at this time.

Note: The Hearings may be postponed to a different date without additional notice. Updated information will be posted on the FDB/Medi-Span AWP Litigation website at www.FDBMediSpanSettlement.com.

19. Must I attend the Final Approval Hearings?

Attendance is not required, even if you properly mailed a written response. Class Counsel is prepared to answer the Court's questions on your behalf. If you or your personal attorney still want to attend the Hearings, you are more than welcome at your expense. However, it is not necessary that either of you attend. As long as the objection was postmarked before the deadline, the Court will consider it.

20. May I speak at the Final Approval Hearings?

You may speak at the Final Approval Hearings or hire your own lawyer to speak on your behalf. If you want your own lawyer to speak for you instead of Class Counsel at the Final Approval Hearings, you must give the Court a paper that is called a "Notice of Appearance." The Notice of Appearance should include the name and number of the lawsuits, and state that you wish to enter an appearance at the Final Approval Hearings. It also must include your name, address, telephone number, and signature as well as the name and address of your lawyer, if one is appearing for you. Your "Notice of Appearance" **must** be postmarked no later than **December 21, 2007**. You cannot speak at the Hearings if you asked to be excluded from the Settlement Classes.

The Notice of Appearance must be filed with the Court at the following address:

Clerk of Court

Boston, Massachusetts 02210

The Notice of Appearance must be filed using the following Civil Action Number:

UNITED STATES DISTRICT COURT – DISTRICT OF MASSACHUSETTS

If You Paid for All or Part of Prescription Drugs

Class Action Settlements May Affect Your Legal Rights and
What You May Pay in the Future for Thousands of Drugs.

*The District Court has authorized this Notice. It is not a solicitation from a lawyer.
You are not being sued.*

Para más Información Sobre Este Pleito, Visite A www.FDBMediSpanSettlement.com.

- Proposed Class Action Settlements have been reached in two class actions about the way certain prescription drug price information is published. The lawsuits claim that certain prescription drugs you pay for may have been overpriced. The Settlements will save you money by changing the way the prescription drug price information is published in the future.
- The two companies being sued are First DataBank, Inc. (“FDB”) and Medi-Span. These companies publish information that may be used to determine the full and co-payment price that some consumers pay for prescription drugs. The information is also used to determine how much insurance companies will reimburse for these prescription drugs. FDB and Medi-Span are not, nor have they ever been, a manufacturer, supplier, wholesaler, distributor, or seller of prescription drugs.
- The companies have agreed to change the way they determine prices they publish. They will also cease to publish certain price information in two to three years.

GETTING MORE INFORMATION

21.	Where do I obtain more information?	7
-----	---	---

BASIC INFORMATION

1. Why did I get this Notice?

You received this Notice because you are a consumer that may have paid for all or part of certain prescription drugs out-of-pocket. You may also have requested this Notice after seeing the Summary Notice in a publication. If so, the lawsuits may affect you.

This Notice explains:

- What the lawsuits and Settlements are about.
- What the lawsuits claim and what FDB and Medi-Span say about the claims.
- Who is affected by the Settlements.
- Who represents the Classes in the lawsuits.
- What your legal rights and choices are.
- How and by when you need to act.

2. What are these lawsuits about?

Prescription drugs often are priced using certain benchmarks. The most common pricing benchmark is something called the Average Wholesale Price or “AWP.” The AWP often helps pharmacies and insurance companies decide what to

charge consumers for prescription drugs. This is when consumers pay the full price of prescription drugs or a percentage of the cost rather than a flat co-payment amount.

FDB¹ and Medi-Span publish the AWP of certain prescription drugs in their printed and electronic databases.

FDB determines the AWP by taking the wholesale costs it gets from the manufacturer and then marking that price up. The lawsuits claim that FDB marked up the costs too much.

From December 2001 into April 2004, Medi-Span published its AWP for prescription drugs based on data provided by FDB.

FDB and Medi-Span are not, nor have they ever been, a manufacturer, supplier, wholesaler, distributor or seller of prescription drugs. FDB and Medi-Span are merely publishers of information.

FDB and Medi-Span have denied any wrongdoing or responsibility. FDB and Medi-Span have entered into these Settlements solely to avoid further expense, inconvenience, the burden of this litigation and any other present or future litigation arising out of the facts in this case.

3. Why is this a class action?

In a class action lawsuit, one or more people called “class representatives” sue on behalf of people who have similar claims. The people together are a “class” or “class members.” The court must determine if it will allow the lawsuit to proceed as a class action. If it does, all decisions made will affect everyone in the class.

Here, the people that sued (“Plaintiffs”) and FDB and Medi-Span (“Defendants”) have agreed to Settlements. The Court has preliminarily approved these Settlements for individuals who purchased prescription drugs that were priced based on the AWP published by FDB and Medi-Span. There will be Final Approval Hearings for the Court to decide on whether to give final approval to the Settlements. (See Question 18.)

4. Why are there Settlements?

A settlement is an agreement between a plaintiff and a defendant following extended negotiation. Settlements conclude litigation but this does not mean that the court has ruled in favor of the plaintiff or the defendant. A settlement allows both parties to avoid the cost and risk of a trial and permits both parties to establish a just, fair and final resolution that is best for all involved. The class representatives and their attorneys decide that a settlement is the best result for all class members and the court is asked to approve the settlement as fair, reasonable and adequate. If this Court approves the Settlements, then FDB and Medi-Span will no longer be legally responsible for the claims made in these lawsuits.

The lawyers representing the Classes (“Class Counsel”) and FDB and Medi-Span have engaged in extensive, arms-length negotiations regarding the issues presented in these lawsuits and the possible terms of a settlement. FDB and Medi-Span want to settle the claims in these lawsuits and Class Counsel believes the Settlements are fair, reasonable and adequate and in the best interests of the Classes.

5. Who is a Class Member?

You are a member of the Classes if you paid for all or part of certain prescription drugs based on data published by FDB or Medi-Span. (A list of those prescription drugs is available at www.FDBMediSpanSettlement.com. There are two different lists of prescription drugs, one that lists prescription drugs reported by FDB and one that lists prescription drugs reported by Medi-Span. These lists are also attached, as Exhibit A, to each Settlement Agreement. To get a copy of the Settlement Agreements, see Question 21.) You must have made these purchases during certain times:

- The purchases based on FDB pricing must have been made between January 1, 2000 and the date of Final Court Approval of the FDB Settlement.
- The purchases based on Medi-Span published prices must have been made between December 19, 2001 and the date of Final Court Approval of the Medi-Span Settlement.

Any part of the price you paid for prescription drugs must have been based on data published by FDB or Medi-Span, electronically or otherwise.

If you made flat co-payments for your prescription drugs, you were not affected by FDB and Medi-Span’s alleged actions

¹ The technical name for the price that FDB publishes is the Blue Book Average Wholesale Price (“BBAWP”). To determine the BBAWP, FDB marks up what is called the Wholesale Acquisition Price (“WAC”). The WAC is given to FDB from the pharmaceutical manufacturers. From 2001 to 2004, Medi-Span published this same data it got from FDB but called it the AWP in its databases. After that time, Medi-Span applied its own mark up to the WAC.

and you are not a Class Member. Flat co-payments are those that do not differ with the cost of the prescription drug. Consumers who have flat co-pays that are tiered (i.e., one flat price for all brand named prescription drugs and another flat co-payment for generic prescription drugs) are also not Class Members.

There are a number of other people that are also not included in the Class. These people include:

- the Defendants and their present or former, direct and indirect, parents, subsidiaries, divisions, partners and affiliates; and
- the United States government, its officers, agents, agencies and departments; the States of the United States and their respective officers, agents, agencies and departments; and all other local governments and their officers, agents, agencies and departments.

Also excluded from the Class are those entities that own or operate businesses referred to commonly as pharmacy benefit managers (“PBMs”). These PBMs, as part of their business operation, contract with Third-Party Payors to perform certain services in the administration and management of prescription drug benefit plans.

6. How do I know if I am included in the Settlements?

Unless you exclude yourself, you are a member of the Classes and will be included in the Settlements if you:

- paid for all or part of the price of a prescription drug based on the data published by FDB or Medi-Span during the relevant time periods.

BENEFITS OF THE SETTLEMENTS – WHAT YOU GET

7. What do the Settlements provide?

The Settlements do not provide cash payments by FDB or Medi-Span.

Rather, Class Members get what is called “injunctive relief.” This means that instead of getting money damages, the companies will agree to change what they are doing to benefit the Classes.

In this case, a substantial benefit is provided to the Classes because FDB and Medi-Span will change the way they publish pricing information for a large number of prescription drugs. This may result in a reduction in the prices for these prescription drugs.

Class Counsel estimates that this reduction may save over a billion dollars for consumers, insurance providers and Third-Party Payors in just a single 12-month period.

Within two (2) years, FDB will stop publishing the AWP, subject to certain exceptions. In addition, FDB will cooperate as outlined below in providing information on prescription drug pricing in connection with other lawsuits. Within three (3) years, Medi-Span will also stop publishing the AWP and will also provide information on prescription drug pricing in connection with other litigation.

Specifically:

- (a) FDB and Medi-Span will reduce the mark-up amount used for all prescription drugs listed on Exhibit A. These mark ups will be decreased to 1.20. Currently, in many cases the mark up is 1.25. FDB and Medi-Span also agree not to increase the mark up for those prescription drugs not on Exhibit A that are below 1.20 to above 1.20 at any time in the future because of this adjustment.
If verifiable prescription drug wholesale price information becomes available as a result of changes in law, regulation or industry practice, FDB and Medi-Span may publish such information. (This is subject to certain limitations as outlined in the Settlement Agreements.)
- (b) FDB will stop publishing, electronically or otherwise, the AWP for any prescription drug within two (2) years from the Effective Date of the Settlements. Medi-Span will stop publishing, electronically or otherwise, the AWP for any prescription drug within three (3) years from the Effective Date of the Settlements. (This is subject to certain limitations as outlined in the Settlement Agreements.)
- (c) FDB will establish and maintain for a period of three (3) years from the Effective Date of the Settlement at FDB’s expense, a Data Room. Access will be provided in connection with any claim or potential claim brought or contemplated against other defendants in litigation involving prescription drug pricing and reimbursement.

FDB and Medi-Span also agree to cooperate in providing information in another related lawsuit: *In re Pharmaceutical Industry Average Wholesale Price Litig.*, MDL 1456 (“AWP MDL”).

REMAINING IN THE CLASSES

8. What happens if I do nothing and stay in the Classes?

If you do nothing, you will be included in the Classes. You will be bound by the terms and conditions of the Settlements. You will never be able to pursue any other lawsuit against FDB or Medi-Span concerning or related in any way to the claims alleged in these lawsuits.

If the Settlements are approved, the claims against FDB and Medi-Span will be completely “released.” This means that you cannot sue FDB or Medi-Span for money damages or other relief based on the claims in these lawsuits.

Class Members agree to forever release all claims even if they later discover new facts about the claims in these lawsuits. This includes any claims whether known or unknown, suspected or unsuspected, contingent or non-contingent. All claims will be released forever whether or not the facts were concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

9. If I remain in the Classes, what claims am I specifically giving up?

The technical release is as follows: “Released Claims” which shall mean any and all known or unknown claims, demands, actions, suits, causes of action, damages whenever incurred whether compensatory, punitive, or exemplary, liabilities of any nature or under any theory whatsoever. This includes costs, expenses, penalties and attorneys’ fees, in law, equity, or statutory that any Class Member who did not opt-out ever had or now has, directly, representatively, derivatively or in any capacity, arising out of any conduct, events or transactions relating to the collection, calculation, formulas, mark up, determination, dissemination, publication of, and representations concerning the AWP or similar data published or disseminated by FDB or Medi-Span electronically or otherwise for any prescription drugs. This includes, but is not limited to, the allegations contained in the action entitled *New England Carpenters Health Benefits Fund, et al. v. First DataBank, Inc., et al.*, Civil Action No. 1:05-CV-11148-PBS (D. Mass.) and *D.C. 37 Health & Security Plan v. Medi-Span*, No. 07-cv-10988-PBS (D. Mass).

10. What entities am I releasing?

The Released Entities are:

- First DataBank, Inc., its parent, subsidiaries, and affiliates and their past, present and future officers, directors, trustees, employees, agents, attorneys, shareholders, predecessors, successors and assigns; and
- Medi-Span, a division of Wolters Kluwer Health, Inc., its parent, subsidiaries, and affiliates and their (including Medi-Span’s) past, present and future officers, directors, trustees, employees, agents, attorneys, shareholders, predecessors, successors and assigns.

EXCLUDING YOURSELF FROM EITHER OF THE SETTLEMENT CLASSES

11. What do I do if I don’t want to be in the Settlements?

If you don’t want to be in either Class and you want to keep the right to sue FDB or Medi-Span about the same claims on your own, you must take steps to get out of the Classes. This is called excluding yourself. By excluding yourself, you keep the right to file your own lawsuit or join another lawsuit against FDB and Medi-Span about the claims in these lawsuits.

If you exclude yourself from the Classes, you will not be in the Settlements. However, if too many Class Members exclude themselves from the Settlements, FDB and Medi-Span can cancel the agreement. This means that no one will see cost savings in the future due to these Settlements.

12. How do I exclude myself from the Classes?

You can exclude yourself from the FDB Class, the Medi-Span Class or both Classes.

If you wish to be excluded from the Class or Classes, you can send a letter signed by you that includes all of the following:

- Your name, address, and telephone number;
- The name and number of the lawsuit or lawsuits: *New England Carpenters Health Benefits Fund, et al. v. First DataBank, Inc., et al.*, No. 1:05-CV-11148-PBS and/or *D.C. 37 Health & Security Plan v. Medi-Span*, No. 07-cv-10988-PBS;
- If you have hired your own lawyer, the name, address, and telephone number of your lawyer; and

- A statement that you want to be excluded from a Class or Classes.

All exclusion letters must be mailed first class, **postmarked no later than December 21, 2007**, to:

FDB/Medi-Span AWP Settlement Administrator
c/o Complete Claim Solutions, LLC
P.O. Box 24730
West Palm Beach, FL 33416

Please remember that you can't exclude yourself by phone or by sending an email.

COMMENTING ON THE SETTLEMENTS

13. Can I object to or comment on the Settlements?

If you have comments about, or disagree with, any part of the Settlements, including the requested attorneys' fees or the expense reimbursement plan, you may express your views to the Court through a written response to the Settlements. You can comment about either or both of the Settlements. The written response should include your name, address, telephone number and a brief explanation of your reasons for objection. The document **must** be signed to ensure the Court's review. The response must be postmarked no later than **December 21, 2007** and mailed to:

Clerk of Court
John Joseph Moakley U.S. Courthouse
1 Courthouse Way, Suite 2300
Boston, Massachusetts 02210

In addition, your document must clearly state that it relates to the following Civil Action Number:

(For the FDB lawsuit) No. 1:05-CV-11148-PBS and/or (For the Medi-Span lawsuit) No. 07-cv-10988-PBS.

14. What is the difference between objecting to the Settlements and excluding myself from the Settlements?

An objection to the Settlements is made when you wish to remain a Class Member and be subject to the Settlements, but disagree with some aspect of the Settlements. An objection allows your views to be heard in Court.

In contrast, exclusion means that you are no longer a Class Member and ultimately do not want to be subject to either Settlements' terms and conditions. Once excluded, you lose any right to object to the Settlements or to the attorneys' fees because the case no longer affects you.

THE LAWYERS REPRESENTING YOU

15. Do I have a lawyer representing my interests in these cases?

Yes. The Court has appointed the following law firms to represent you and other Class Members:

These lawyers are called Class Counsel. You won't be charged personally for these lawyers, but they will ask the Court to award them a fee. More information about Class Counsel and their experience is available at the websites listed above.

16. How will the lawyers be compensated?

Class Counsel will request that the Court award attorneys' fees and expenses. The Court has appointed Class Counsel to represent everyone in the Classes. Subject to Court approval, FDB will pay Class Counsel fees not to exceed \$625,000, expenses of \$200,000, and \$125,000 for the maintenance of the Data Room for a period of three (3) years. Class Counsel will receive \$100,000 in fees and expenses in connection with the settlement with Medi-Span. FDB will also pay the cost of notice to all Class Members.

You may hire your own attorney, if you wish. However, you will be responsible for that attorney's fees and expenses.

17. Should I get my own lawyer?

You don't need to hire your own lawyer, but if you want your own lawyer to speak for you or appear in Court, you must file a Notice of Appearance (See Question 20 to find out how to submit a Notice of Appearance). If you hire a lawyer to appear for you in the lawsuit, you will have to pay for that lawyer on your own.

THE COURT'S FINAL APPROVAL HEARINGS

18. When and where will the Court decide on whether to grant final approval of the Settlements?

The Court will hold Final Approval Hearings on January 22, 2008 at 2:00 p.m. to consider whether the Settlements are fair, reasonable, and adequate. At the Hearings, the Court will decide whether to approve the Settlements and the motion for attorneys' fees and expenses. If comments or objections have been received, the Court will consider them at this time.

Note: The Hearings may be postponed to a different date without additional notice. Updated information will be posted on the FDB/Medi-Span AWP Litigation website at www.FDBMediSpanSettlement.com.

19. Must I attend the Final Approval Hearings?

Attendance is not required, even if you properly mailed a written response. Class Counsel is prepared to answer the Court's questions on your behalf. If you or your personal attorney still want to attend the Hearings, you are more than welcome at your expense. As long as the objection was postmarked before the deadline, the Court will consider it.

20. May I speak at the Final Approval Hearings?

You may speak at the Final Approval Hearings or hire your own lawyer to speak on your behalf. If you want your own lawyer to speak for you instead of Class Counsel at the Final Approval Hearings, you must give the Court a paper that is called a "Notice of Appearance." The Notice of Appearance should include the name and number of the lawsuits, and state that you wish to enter an appearance at the Final Approval Hearings. It also must include your name, address, telephone number, and signature as well as the name and address of your lawyer, if one is appearing for you. Your "Notice of Appearance" **must** be postmarked no later than **December 21, 2007**. You cannot speak at the Hearings if you asked to be excluded from the Settlement Classes.

The Notice of Appearance must be filed with the Court at the following address:

Clerk of Court

1 Courthouse Way, Suite 2300
Boston, Massachusetts 02210

The Notice of Appearance must be filed using the following Civil Action Number:

FDB/Medi-Span Litigation

800-960-2381

PRE-RECORDED TELEPHONE MESSAGE SCRIPT

Hello, you have reached the hotline for the FDB/Medi-Span AWP Class Action Settlement. This message is approximately three minutes long. Please have paper and pen available to take down information. You may visit the settlement website at www.FDBMediSpanSettlement.com (please say, then spell) for more information and documents relating to the class action.

Requests to exclude yourself from this settlement were to be postmarked no later than December 21, 2007. Therefore, you may no longer request exclusion.

Objections to this settlement were to be postmarked no later than December 21, 2007. Therefore, you may no longer file an objection.

There are proposed Settlements of two lawsuits concerning how the published price of drugs is determined, what consumers pay for the drugs and what Third-Party Payors reimburse for them.

The Settlements are with First DataBank (“FDB”) and Medi-Span (a division of Wolters Kluwer Health, Inc.). The lawsuits are pending in the U.S. District Court for the District of Massachusetts.

FDB and Medi-Span publish data related to the prices of prescription drugs in their printed and electronic databases. The data includes the Average Wholesale Price (“AWP”) of each drug. Pharmaceutical manufacturers report certain costs to FDB and Medi-Span. FDB then marks up these costs to get the AWP reported in their publications and databases. From December 2001 to April 2004, Medi-Span published Average Wholesale Prices that it obtained from FDB.

Plaintiffs claim that FDB wrongfully inflated the mark up used to determine the AWP. Plaintiffs claim that Medi-Span negligently published inflated prescription drug prices. As a result, the lawsuits

claim that insurers, Third-Party Payors (“TPPs”) and some consumers paid more for these drugs than they should have.

The Settlement Classes include all persons or entities that paid for all or part of prescription drugs based on AWP pricing. Specifically, any part of the purchase price, reimbursement or payment amount must have been based on the AWP or similar data published or disseminated by FDB or Medi-Span, electronically or otherwise. In addition, the reimbursements based on FDB pricing must have been made between January 1, 2000 and the date of Final Court Approval of the FDB Settlement; the reimbursements based on Medi-Span published prices must have been made between December 19, 2001 and the date of Final Court Approval of the Medi-Span Settlement.

The Settlements provide “injunctive relief.” This means that instead of paying money damages, the companies agree to change what they are doing to benefit the Settlement Classes.

If you wish to remain a member of the Settlement Classes, you do not have to do anything. You will be bound by all the Court’s orders.

The Court will hold Final Approval Hearings on January 22, 2008 at 2:00 p.m. to consider whether the Settlements are fair, reasonable, and adequate and the motion for attorneys’ fees and expenses. If comments or objections have been received, the Court will consider them at this time.

If you are a Third-Party Payor, pharmacy benefit manager, third-party administrator or other authorized agent and wish to speak to a ‘live’ operator, please press 1 now.

If you are a consumer and would like a Notice to be mailed to you or would like to speak to a ‘live’ operator, please press 2 now.

Thank you for calling.
